

Dear Student's,

Greetings from The Assam Royal Global University!

In our continued efforts to strengthen the bond between our alumni and the university, we are in the process of building a strong and vibrant Alumni Association for your alma mater.

We would like to inform you that you are eligible to withdraw your caution money following the successful completion of your program from RGU. However, we humbly place before you the option to consider this amount as a contribution to the *Alumni Fund* of the university.

This fund will serve as a valuable resource in supporting alumni-driven initiatives, fostering networking opportunities, and contributing to the overall alumni association development of the university.

Your support will go a long way in building a legacy for future generations of students.

Should you wish to proceed with this contribution or have any queries, please feel free to reach out to us.

Thanking You
