FOUNDER & CHANCELLOR

DR. ASHOK KUMAR PANSARI

Dear Parents and beloved Students,
It is my pleasure to share my thoughts with you.

From Galileo, Einstein, to Steve Jobs, men of merit and effort have harped on inventions and creations out of their inherent urge that drives one to the goal. Royal Global University has also been the outcome of this urge and we strive to bring to the Northeast the best academic facilities possible.

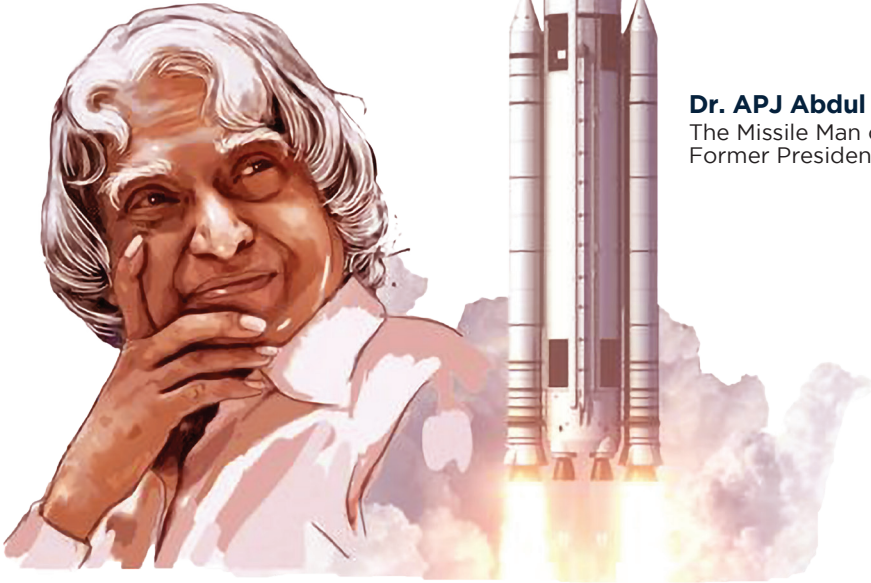

I admit you have been my strength and guide in this endeavor. Courtesy your support, encouragement and participation. Royal Knowledge Park, our campus at Betkuchi, has been growing and adding new feathers to its cap every year since its inception. It now boasts of having 25 schools offering 100+ UG, PG & Ph.D. programmes in varied fields viz in Engineering, Business Administration, Commerce, Architecture, Design, Fashion, Fine Arts, Pure Sciences, Information Technology, Life Sciences, Biosciences, Environmental & Earth Sciences, Communications & Media, Psychology, English, Humanities and Social Sciences, Law, Hotel Management, Travel & Tourism Management, Pharmacy, Nursing, Medical & Allied Sciences, Forensic Science, Agriculture etc.

The educational journey of a child begins with us at Royal Knowledge Park. Starting with the play-way method at Royal Global School to research driven pedagogy in Royal Global University, an aspiring student can have it all. We call them the ROYALite. We aim to offer nationally and internationally integrated opportunities to create global citizens. Also, we believe in instilling ethical and moral values in every ROYALite to give back responsible leaders to the society who are capable of enriching the future by bringing in positive transformation in the world touching lives and milestones. The risks and challenges of the twenty-first century have to be negotiated. We pledge to play our role, with your constant support.

INTEGRATED PROGRAMMES WITH COACHING FOR CIVIL SERVICE EXAMINATION

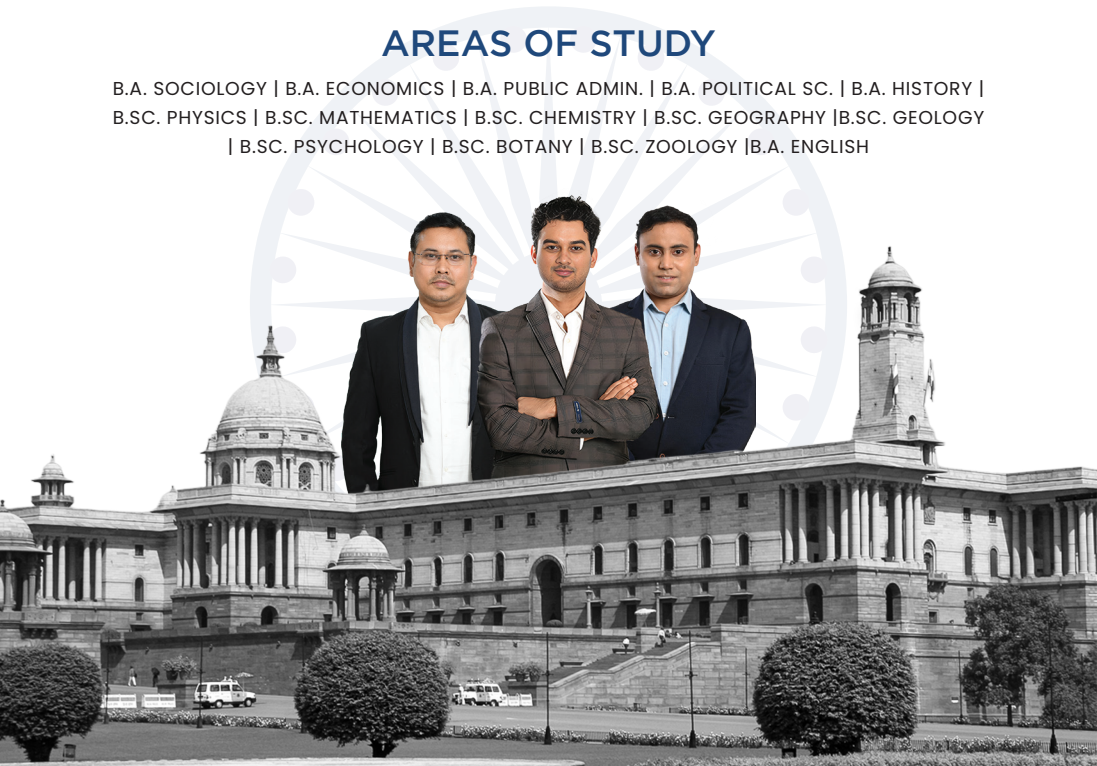

Integrating courses for Civil Services Examination (CSE) within the undergraduate (UG) curriculum represents a strategic and inclusive approach to higher education and career preparation. With the increasing aspiration among students to join the Indian civil services, offering formal, credit-bearing courses focused on UPSC preparation can make civil service coaching more accessible, structured, and academically rigorous.

The Assam Royal Global University has initiated this integrated programme along with Regular BA/B.Sc. Programmes (like-Geography, History, Sociology, Economics, Political science, Public Administration, Social Work, Chemistry, Physics, Mathematics etc)

INTERDISCIPLINARY/ MULTIDISCIPLINARY COURSES:

The Assam Royal Global University (RGU), one of the premier universities in India, has continuously acted as a leadership platform that aligns interests of industries, entrepreneurs with its academic mandates and the aspiration of the youth since its establishment in 2017. Aimed at creating and sustaining an environment wherein employment and entrepreneurship can flourish with collaborative efforts amongst an extensive network of influential corporates, individual members, and academic institutes, RGU has been able to provide necessary resources, knowledge, and support to create effective employment and entrepreneurship opportunities. RGU offers a wide range of multidisciplinary courses that blend knowledge from different fields, giving students a well-rounded learning experience. Since our establishment, we have introduced these courses to encourage critical thinking, creativity,

and problem-solving by combining ideas from various academic spheres. Our multidisciplinary courses go beyond traditional subject boundaries, allowing students to explore concepts, theories, and methods from multiple fields. These programmes connect 24 schools, including science, technology, engineering, humanities, social sciences, and fine arts, to help students tackle real-world challenges. Unlike standard courses that focus on a single subject, multidisciplinary programs at RGU promote collaboration across disciplines, enabling students to gain a deeper understanding of complex topics.

At The Assam Royal Global University, we are committed to embracing the transformative vision of the National Education Policy (NEP) 2020 and its goal of transforming education by introducing flexible academic structures and multidisciplinary courses that encourage holistic learning.

CURRICULAR STRUCTURE BASED ON **NEW EDUCATION POLICY**

📍 **Fostering unique capabilities** 📍 **Identifying learning trajectories**

Multidisciplinary and holistic education 📍 **Emphasis on conceptual understanding**

Flexible curricular structure 📍 **Extensive use of technology in teaching and learning**

📍 **Respect for diversity and respect for the local context**

Access to High- quality education and a supportive learning environment for all

📍 **Fostering experiential learning**

DOCTORAL PROGRAMMES

The Assam Royal Global University Doctoral Programme involves students taking on independent and significant research culminating in a publishing-worthy thesis. The degree normally takes three to six years of full-time work towards an original contribution towards the selected subject. The programme is designed to develop advanced skills in conducting independent and comprehensive research. It equips candidates with the ability to contribute new knowledge or theories to their field of expertise.

The Ph.D programme in The Assam Royal Global University involves research across disciplines to arrive at a more comprehensive perspective and solution for a particular problem. With a strong research focus and a research advisory committee involving faculty from different disciplines, a candidate can explore a variety of research options involving a choice of disciplines.

HACKATHON

A 12-hour blockchain hackathon was hosted at The Assam Royal Global University which focused on the rapidly evolving field of blockchain technology. The event offered a unique platform for students and tech enthusiasts to dive deep into the world of decentralized systems.

Throughout the hackathon, participants were engaged in hands-on learning sessions, exploring the intricacies of blockchain technology. The attendees gained valuable insights into the potential of blockchain in various sectors, from finance to supply chain management.

YOUTH CONCLAVE

The first-ever Sigma Voice Youth Conclave organized by the Sigma Voice Club, kicked off at the Assam Royal Global University. This two-day event focused on engaging young minds in insightful discussions on diverse topics relevant to the Northeast and beyond.

The event provided a valuable platform for the exchange of ideas, knowledge sharing, and creating better opportunities for youth empowerment.

KARMOTSAV

CHRISTMAS JAMBOREE

Christmas is a time of love, cheer and joy and The Assam Royal Global University celebrates the festival with gaiety. The fete sees open-air outdoor meals, games, live music, and craft stalls including jewelry, snacks, bags etc. It is an event for students to make lasting memories with their friends.

JOB FAIR

Graduates, post-graduates, freshers, and experienced job seekers utilized this platform to showcase their talent, skill set and expertise and appeared in interviews for their dream jobs at some of the best international, national, and regional companies.

The Vice Chancellor encouraged the students to be focused but accommodative of their options while also being open to learning from their experience and honing their skill sets. Highlighted the 'immersive learning' academic module underway at The Assam Royal Global University that makes Royalites industry-ready during their academic term. The aspiring candidates were also encouraged to 'get educated' and 'get trained'.

LUMINESCENCE, THE DIWALI MELA

Organised by the Department of Social Work, Royal School of Humanities and Social Sciences since 2021, Luminescence the Diwali mela is a flagship event of the department that gives NGOs and Self Help Groups of the region the opportunity to display and sell their wares thereby sharing happiness of the festival of lights among all sections of society. This event also underlines the University's commitment towards society.

NATIONAL CADET CORPS (NCC) AT RGU

The National Cadet Corps (NCC) at The Assam Royal Global University (RGU) stands as a beacon of discipline, leadership, and national service. Affiliated with the 30 Assam Battalion NCC (Army) and 50 Assam Air Squadron NCC, the unit plays a pivotal role in shaping responsible, resilient, and service-oriented citizens.

ROYAL GLOBAL UNIVERSITY

NSS PROGRAMMES AT RGU

Established in January 2022, the National Service Scheme (NSS) at Royal Global University has organized a diverse array of community-oriented programmes, primarily focused on village adoption initiatives, health promotion, education, and social awareness in adopted villages including Pamohi, Deuchutal, Lohra, Tetelia, and Pub-Boragaon. These programmes emphasize volunteerism, skill-building, and sustainable development. Health and wellness camps prioritize preventive healthcare, screenings, and awareness to enhance community well-being, including blood donation drives that collected numerous units at the RGU Campus, health checkup camps with free screenings in collaboration with SWAGAT Hospital for staff and students, and specialized awareness sessions on AIDS and substance abuse screening. Awareness and education programmes sensitize communities to social, environmental, and digital issues through camps, quizzes, and workshops, such as media literacy and fake news awareness outreach at Banikant Memorial School, thematic sessions on road safety, digital literacy for women, and good touch/bad touch, along with nutrition and child development efforts like health and nutrition quizzes and ICDS/MDM awareness.
