

GAUHATI UNIVERSITY

**B.E. (COMPARTMENTAL) FIFTH SEMESTER EXAMINATION
TO BE HELD IN AUGUST-SEPTEMBER, 2017**

PROGRAMME

(New and Old Syllabus)
(Written)

Time: 12:30 P.M. to 3:30 P.M.

Date	Day	Branch	Subjects
28.08.17	Monday	Civil	Environmental Engineering
		ME	Mechanism & Dynamics of Machines
		IPE	Manufacturing process -- III
		EE, EEE	Electric Power System
		IE	Instrumentation System Components - I
		AEI	Measurement and Measuring Instrument
		ET	Instrumentation and Electronic Measurement
		CSE, IT	Formal Language & Automata Theory
		ChE	Chemical Reaction Engg - I
01.09.17	Friday	Civil	Concrete Technology
		ME	Heat Transfer - I
		IPE	Foundry and Welding Technology
		EE, IE, AEI, ET, EEE	Power Electronics
		CSE, IT	Systems Programming
		ChE	Process Utilities
07.09.17	Thursday	Civil	Geotechnical Engineering
		ME, IPE	Instrumentation
		EE, IE, AEI, ET, EEE	Control System - I
		CSE, IT	Software Engineering
		ChE	Chemical Engg Thermodynamics
12.09.17	Tuesday	Civil	Design of Structures - I
		ME, IPE	Machine Design - I
		EE	Electrical machines - II
		IE	Electronic Instrumentation
		AEI	Theory of Fluid Flow
		EEE	Advanced Digital Systems using HDLs
		ET	Analogue Communication
		CSE, IT	Principles of Programming Language
		ChE	Process Instrumentation
18.09.17	Monday	All	Economics and Principles of Management
21.09.17	Thursday	Civil	Transportation Engineering - I
		ME	Applied Thermodynamics - I
		IPE	Fluid Mechanics and Machine
		EE, IE/ CSE	Digital Electronics/Digital Systems
		ET, AEI	Digital Electronics Circuits
		EEE	Analogue Electronics Systems
		IT	Principles of Communication Engg
		ChE	Mechanical Operations

N.B.: Practical Examinations will be held as per the dates notified by the Principals of the respective
